

DO YOU NEED HELP?

STAFF RELIEF NEEDS ASSESSMENT *Dialysis & Transplant Centers*

September 8, 2005 -- Dialysis and Transplant stakeholders (government agencies, providers, manufacturers and pharmaceutical companies) have asked a small work group to assess the need for staff relief in Dialysis and Transplant Centers in areas impacted by Hurricane Katrina and to coordinate staff needs with those who have volunteered to assist in the relief effort.

Attention: Facility Managers – Please complete the following information to tell us what your staffing needs are and return the form via fax to 856-589-7463.
