NPR Update Conference Calls

NPR conference calls allow NPRs to update each other and the Network on current facility activities. NPRs are encouraged to share information to assist one another with ideas, suggestions, concerns and support. Facility Representatives are welcome and encouraged to attend, too!

Call Format

- Second Wednesday and Thursday of every month—two dates to accommodate everyone's busy schedules.
- Both calls during the month cover the same topic. Join the one most convenient for you!
- **All calls are scheduled for 1:00 p.m.**

1:00 Greetings/Introductions

1:05 "Ten Minute Topic"

1:15 "Ask the Network"

1:25 Open Discussion/Networking

1:45 Adjourn

(call scheduled until 2 for additional discussion)
