

Clearinghouse Library

SPRING UPDATE APRIL/MAY 2003

Clearinghouse educational materials are available to all ESRD facilities in Network 13 and are intended for use by staff, patients, families and anyone interested. Upon request, the Network staff will mail items (based on availability) to you. The clearinghouse is organized for easy access by reviewing the inventory herein. YOU are responsible for items borrowed and for their safe return. Most items may be kept, books and videos must be returned within 30 days.

The goal of the Clearinghouse Library is to offer educational materials, at no expense, to caregivers and patients. If you are aware of information, media, resources or materials that would benefit your staff or patients, please notify the Network.
